INTRODUCTION

This bulletin contains particulars of the population of each State and Territory of Australia as at the Census of 30th June, 1961, classified according to birthplace.

The figures are shown according to the full list of countries used in the tabulation of birthplaces for Census purposes and revise and supersede the birthplace data shown in condensed form in previous bulletins. At a later stage in the tabulating programme, the figures for birthplace "Australia" will be further subdivided to show State or Territory of birth.

Bulletins containing figures according to the complete classifications of industry and occupation used in Census tabulations will be issued shortly. A list of 1961 Census publications already issued appears at the end of this bulletin.

All figures shown herein are exclusive of full-blood aboriginals.
